## CHRISTINE'S CHATTERBOX

Hello everyone

I hope you all had a pleasant peaceful Easter.

Anzac Dawn service nine members attended at Bayswater RSL where we placed a wreath on behalf of our Club. Big thank you to Kay for making the wreath.

Most of you will recall we have spoken about the way we have our weekly meeting so this week we will have a trial (the Bowling Club is very happy with this arrangement)

**MEET 6.00 for 6.30.** If you would like to have a meal after the meeting at 7.30pm (in the restaurant) place your order 6-6-30 and pay the bowling club directly (it's your own choice off the entire menu). If you would like to stay on for maybe just dessert that is perfectly ok or just a drink at the table.

**CLUB MEETING will commence at 6.30-7.30 pm** - cost \$5.00 in the board room, you are welcome to bring your drinks in.

To reserve a table in the restaurant I will be giving the club a call on Wednesday as we normally do. So please let me know if you **won't** be staying on after the meeting.

This weekend 4-5<sup>th</sup> May is MUNA **Model United Nations Assembly** at Victorian Parliament House. Our team from Fairhills have been allocated Jordan as their country to represent. They are well prepared and have done a lot of research.

I would encourage all members to attend sometime over the Saturday or Sunday, we can discuss in more detail on Thursday.

District 9810 Foundation Grants Seminar Friday 10<sup>th</sup> May (it is compulsory that a member from our club attends) if we wish to apply for a District or Global grant (Scholarship for MDLC is a district grant if we continue with it)

Have a good week - see you all this Thursday at 6.00 -6.30

Christine Anderson  
President

**MUNA**, (Model United Nations Assembly), is a project organised and sponsored by Rotary Clubs to build international understanding and promote goodwill for world peace. It invites high school students to form school teams and participate in debates, along the principles adopted at the United Nations Assembly, pertinent to world political and social issues. Each team represents a particular country.

Students develop an awareness of the workings of the United Nations and by conducting their research on the resolution they select to debate, they will gain an understanding of where their country stands in world affairs. They will learn about the lobbying and diplomatic manoeuvring that take place in the assembly.

They will practise and develop their debating skills and gain confidence in public speaking.
