## *"That Was The Week That Was"*

Thursday 2<sup>nd</sup> May

Tonight was our first trial of the new meeting format, with the meeting commencing at 6.30 and followed by dinner in the dining room for those members who had indicated they would be staying.

We did not have a Scribe so a brief summary of the speaker follows:-

Melissa Bell from the Knox Toy Library gave us a very informative and enthusiastic talk. She described how the Toy Library has changed and evolved over the years since our members would have been making use of the toy library.

Unfortunately we had to cut Melissa short as the kitchen advised us that the meals were being served 20 minutes ahead of schedule, but Melissa happily stayed on with us in the dining room to answer our queries.

A very delightful speaker who is very passionate about extending the links of the toy library with other community groups.

They are looking for volunteers to help them with the mammoth task of running the library and Fran & Marg have both volunteered to assist them.
