SEPTEMBER IS BASIC EDUCATION AND LITERACY MONTH

"That Was The Week That Was"

Hello Everyone

What another great Rotary Week

Our committee and open board meeting held on Thursday, gave all members the opportunity to report on the progress of our clubs main areas of focus this year, Membership, Community, Youth, Fundraising Foundation and International. Reports will be issued in our weekly bulletins, so I do encourage you all if you would like to contribute to the bulletin please email myself and I will on forward to our bulletin editor.

Myself and Christine attended the International Seminar on Friday "The Most Good You Can Do for your Rotary \$" What a great evening, giving all attendees the opportunity to participate in" Round Table Discussions "

Interplast, Rotarians against Malaria, Donations in Kind, Wheelchairs for Kids, Rotarians Against Slavery, Operation Cleft, Tavenui Eye reject, Operation Toilets. Other discussions about RAWCS and changes to The Rotary Foundation Areas of Focus, creating new opportunities for Clubs to conduct projects that would not have previously qualified.

In the next few weeks it is critical that we have nominations for **President Elect** 2020-2021 we have a nominee for 2021-2020.

Get ready for this week's meeting "GROUP HUG" interesting??

Have a great week

INTERACT TRIVIA NIGHT THIS FRIDAY 13TH SEPT PLEASE DON'T FORGET

Australian Rotary Health is pleased to welcome His Excellency General the Honourable David Hurley AC DSC (Retd), [Governor-General of Australia](#) as our newest Patron.

“I am delighted to become Patron of Australian Rotary Health.”

“With one in five Australians affected by depression, anxiety, schizophrenia or another illness, medical research into mental health has never been more important. That is why the work of Australian Rotary Health, its staff and supporters is so critical. By funding research into mental health as well as scholarships for PhD candidates, rural medicine and nursing, and Indigenous Health students, Rotary Health is helping to create a better Australia.

“As Patron, I am looking forward to being involved with Australian Rotary Health, supporting their efforts and drawing attention to their magnificent work.”
