FROM THE PRESIDENT

OCTOBER IS ECONOMIC & COMMUNITY DEVELOPMENT MONTH

Our Club is again supporting two outstanding projects **Operation Cleft** and **Rotarians Against Malaria** with a substantial donation being made to each of these projects. Club members endorsed the recommendation of the Board to provide these funds.

Shortly we will invite these groups to attend our meeting (via zoom) to be our meeting speaker and make a formal presentation.

Christine will be able bring us up to date at our meeting this week on the outcome of her endeavours to make contact with the Knox Council. Dealing with local government is a process we are going to have to work within.

Our proposed date **April 24th 2021** for Club to have the Baton celebrating 100 Years of Rotary in Australia in the Ferntree Gully Area has been accepted and locked in. Although still six months away planning needs to start on the detail for our leg of this significant event.

GO CATS !!

Graeme

President 2020/2021

THE WEEK THAT WAS

Hat Day – for “Lift the Lid”

It seems that the Hursts' and the Sparks' were on a lucky streak this week as Rob and Wendy each won a bottle of wine in the raffle on Thursday night and Marg and Wendy won some delicious pies from the Country Cob Bakery at the bingo.

*We had a fun Saturday Night with “Bogan Bingo” for all the “bogans” in the club.
Thank you, Christine, for organising the bingo and the prizes.*

Thank you to Paul Wilson for taking on the role of co-ordinating the Slices Roster for the Foothills Community Care meals.

Please Note: More recipes needed please!

Details

In lieu of the traditional National Tree Day event that was cancelled due to the COVID-19 restrictions, Knox City Council, in conjunction with the Knox Environment Society (KES) invites you to plant a tree in your backyard on Sunday 1 November and share your experience with us by either sending a photo or video of your planting.

KES has a special nursery where they propagate and sell indigenous and native plants. We encourage you to collect a free plant from their nursery and use it for your backyard planting.
