ROTARY CONNECTS THE WORLD

NOVEMBER IS THE ROTARY FOUNDATION MONTH

Hello everyone,

WOW what a meeting had last week. Organized by our vocational chair Rob Hurst we paid a visit to the Little Brewery in Edina Rd Ferntree Gully, where we tasted various brewed beers which they brew on site. All the beers varied in flavour depending on the ingredients involved but an excellent insight to the making of boutique beers in today's market.

After the visit we went back to Christine and Allan's place just up the road where we had pizzas and drinks and excellent fellowship a good night was had by all.

Fran and myself attended an information session on Clubrunner at the Mulgrave Country Club on Friday, which the district is using and trying to involve the clubs using the programme but the meeting was a disaster with poor hand outs and not being able to see the screen properly and the instructor not being able to communicate to the 19 attendees. I wonder whether it is worthwhile, I am considering taking the Rotary club of the Clubrunner with all the mistakes on it and start again. I will mention this at the next Rotary meeting.

A memorial service will be held on Saturday 11th January 2020 at 3pm at 22 Park St Brighton (West Brighton Club) of the Late Past District Governor Dick Garner from the Rotary Club of Hampton. Those who wish to attend will need to book through <https://www.trybooking.com/BGX EJ>

We have our Village Fair
Christine's free activity
be selling Hamburgers
be asking for volunteers

on this Saturday. There will be
for the children and the BBQ which will
and possible sausages, so Christine will
to man the stalls.

Yours in Rotary

"That Was The Week That Was"

Thursday 14th November 2019

Last week our vocational visit to **THAT LITTLE BREWERY** in Ferntree Gully, nicely tucked away in the factory complex at 12 Edina Road. A charming Little Brewery where we sampled the different brews available and were given a brief rundown of the brewing process by Andy, one of the owners. It is very much a family affair with two brothers and a cousin who started it in 2012 specialising in sour brews. They supply many local restaurants with their brew and are continuing to grow and expand, with plans to open their own restaurant in the area. They are very passionate about their brewing and appear to be on the right track.

After our "tasting" we adjourned to Christine and Allan's place just down the road for fellowship and pizza – and, for some, singing – Another great evening of fun and fellowship.
