APRIL IS MATERNAL & CHILD HEALTH MONTH

Hello Everyone

And who said we would have plenty of time on our hands during this pandemic.

I thank all of you who are carrying out Rotary duties during this time.

Thank you, Brian for the treasurer's reports sent out after last week's Zoom meeting. Mike for following through with the Centurions funding and sending it off, Fran for her secretarial duties keeping us all informed, Marg for entertaining us with the weekly bulletin.

Our 100 years of Rotary 2nd planning meeting on Tuesday, thank you to all who are participating, Christine for contacting Nick Wakeling, Mountain District learning Centre, Eastern Domestic Violence Service and Knox Council.

Anzac Day this year will be like no other, as you are all aware there are several ways to still honour those who have served our nation, and the 102,000 who died as a result.

Standing at the end of your drive way at 5.55 am Saturday. I wonder how many will do this. An on line Zoom Anzac service being hosted by the Rotary Club of Rowville/Lysterfield. Allan Tudge MP is inviting us to join him watching the National Anzac Day service to be broadcast from the Australian War Memorial on April 25th

Our Club will be laying a wreath at the Bayswater RSL club on the Saturday, as we did last year.

This week's meeting being hosted by Paul and Kay should be a load of fun, a huge thank you for keeping our vibrant club still fun and engaging. If anyone would like to invite family or friends just forward the email details, everyone is invited.

Until Thursday

Stay safe Stay sane

How a stimulus package works

It's a slow day in the small Saskatchewan town of Pumphandle, and streets are deserted. Times are tough, everybody is in debt and everybody is living on credit.

A tourist visiting the area drives-through town, stops at the hotel and lays a \$100 bill on the desk saying he wants to inspect the rooms upstairs to pick one for the night.

As soon as he walks upstairs, the hotel owner grabs the \$100 bill and runs next door to pay his debt to the butcher.

The butcher takes the \$100 and runs down the street to retire his debt to the pig farmer.

The pig farmer takes the \$100 and heads off to his supplier, the Co-op.

The guy at the Co-op takes the \$100 and runs to pay his debt to the local prostitute,

who has also been facing hard times and has had to offer her "services" on credit.

The hooker rushes to the hotel and pays off her room bill with the hotel owner.

The hotel proprietor then places the \$100, back on the counter so the traveller will not suspect anything.

At that moment, the traveller comes down the stairs, states that the rooms are not satisfactory, picks up the \$100 bill and leaves.

No one produced anything.....

However, the whole town is now out of debt and looks to the future with a lot more optimism.

And that, ladies and gentlemen, is how a stimulus package works.

RIDDLES TO SOLVE

1. **Question:** You're in a cabin with no electricity. Come nightfall, you have a candle, a wood stove, and a gas lamp, but only one match.

What do you light first?

2. **Question:** What are the next three letters in the sequence WATNTL?

Hint: The answer's right there in the question.

3. **Question:**

What has a mouth, but cannot eat, moves, but has no legs; and has a bank, but cannot put money in it?

4. **Question:** You live in a one-story house made entirely of redwood. What color would the stairs be?

Answers will be provided next week
