### ROTARY CONNECTS THE WORLD

### MAY IS ROTARY YOUTH SERVICE MONTH

Hello Everyone

Another great evening last Thursday with our Arm Chair Travel Show.

Slowly our lives are returning to some sort of normality, after the weeks of lock down, hoping you have been able to see grandchildren family and friends.

It may be a while before our club can meet in person, but in the meantime, we will continue (as are all clubs) holding our Zoom meetings.

This week we have a wonderful guest speaker Fay Lea-Smith from HOPE Worldwide. We met Fay at the Knox Festival and had a very interesting conversation about the work she is doing in PNG. I am sure you will thoroughly enjoy listening to Fay and her amazing work.

#### **Annual Report**

We are currently working on the clubs Annual Report 2019-2020 and would like the chair reports:

    Youth   Community   International   Foundation   Fundraising   Vocational  
    Program   Fellowship and   Treasurer   Secretary –

obviously we won't expect the Secretary and Treasurer's reports until towards the end of June, but could we have the others to us by 18<sup>th</sup> June. Really appreciate your assistance as this is quite a large time-consuming task. The Annual Report will not be in printed form to reduce costs and will go digital from now on.

The Bowel Scan Program 2020 has been postponed due to Covid-19 restrictions.

Our next 100-year Centenary planning meeting will be on Monday 25<sup>th</sup> May. If anyone would like to join us please let Christine know, so an invite can be sent to you.

Until Thursday

Stay safe
