ROTARY CONNECTS THE WORLD

JUNE IS ROTARY FELLOWSHIP MONTH

Hello Everyone

What a great night out seeing each other face to face after all this time, at last week's fellowship night at the Vietnamese restaurant, definitely would recommend this local business.

I heard from my hospital bed last Thursday's guest speaker Allison Troth from Destiny Rescue Australia, gave an excellent presentation telling the situation of young, mainly girls being rescued from a life of slavery in the prostitution industry in Asia. Once rescued offering them schooling and the opportunity of a vocation is part of the wonderful work that this organisation does.

A fellowship evening has been organised by Julianne, for our club to hold a film showing "Fisherman's Friends" at Stageworx Theatre, Bayswater. Trish Carr and Les Marton are holding this event just for our club. It will be on Friday July 3rd more details to follow, so keep the date free.

Don't forget to have three statements about you for this week's meeting "Two Truths and a Lie", there will be a prize for who guesses the most lies. The Murder Mystery packs will be delivered to you all including partners this Friday, when Christine will collect warm clothing this week's admission fee for our meeting. They will be delivered to the Hills Op Shop.

Until Thursday

Stay safe and keep warm

Allan Tierney

President 2019/2020

Are you organised with your Two Truths and One Lie?

Here are some ideas to help you get started:

- Truths and Lies about Your Family and Childhood
- Truths and Lies about Abilities and Achievements
 - Truths and Lies about Sports
 - Truths and Lies about Food
- Truths or Lies about Your Personality and Life

Don't forget to have your donation of a piece of warm clothing ready for pick up on Friday.

Dear Allan,

Thank you for supporting The Rotary Foundation!

Did you know that our Foundation funded more than 1,400 global grants totaling more than \$97 million last year? Or that together with our partners, we've immunized more than 2.5 billion children against polio since 1988? Because of dedicated donors like you, Rotarians around the world are changing lives through projects funded by the Foundation.

When you support our Foundation, you're Doing Good in the World. Your gifts make it possible for us to respond to some of the most challenging needs in communities both close to home and around the world. Most recently, Rotary has responded during the COVID-19 pandemic by working together to care for those affected, including medical workers, businesses, and our neighbors around the world.

Because of your help, no challenge is too great for us to keep making a difference. Thank you for your continued support, Allan.

Sincerely,
The Rotary Foundation

SAVE THE DATE

Rotary's Centenary is a time of celebration! It is a time to reflect on our past, and take pride in all that has been achieved. It is a time we play our part in the history of Rotary.

Our centenary is also the time to lay the foundations for our future, as we still have much to do. The key project in our centenary year will focus on stopping the one in 16 children who die in 9 Pacific nations before the age of five.

We invite you to join Rotarians across Australia on 10th July for virtual fellowship, as well as meet our R100 Centenary Ambassadors, the Governor General and Mrs Hurley, as they launch our national centenary campaign. By joining us, you will witness the "Passing the Baton" ceremony. The baton that will carry the symbols of our centenary and will travel far and wide across Rotary clubs and Districts.

Please pass this invitation on to as many Rotary clubs as possible so that they too can join this event. We ask too for your support in helping us raise funds for our R100 Centenary project, "Rotary Give Every Child a Future"; saving young lives in Pacific nations.

Please expect registration details on how you can join within the next week.

We look forward to you joining in and making your mark on history!

Kind regards,

Garry Browne
