## AUGUST IS MEMBERSHIP AND NEW CLUB DEVELOPMENT MONTH

Hello Everyone,

Well they always say a quick meeting is a good meeting, and that is how we achieved a great result for our future fundraising ideas last Thursday.

We all look forward to the research and information from the voted top two favourites from Brian and Paul at this coming weeks meeting.

Thank you to our fellowship committee for organising two great live music shows over the weekend. Frankie Valli Vs The Beach Boys and The Herbert's playing sixties rock. For those attending both functions, a great way to dance and sing away the weekend. Our fellowship extends to Tuesday evening at the Movie night at Boronia Cinema watching "Palm Beach".

I would like to remind everyone that this coming Friday evening is the District Vocational Seminar, details below and also Rotary against Malaria RAMS conference this coming weekend.

**If you are interested in either event, it's still not too late to register.**

At this week's meeting we are discovering the story of the 1812 Theatre presented to us by Chris Hodson and James McCrae. I am sure it will be a fascinating history. All partners are invited; we also look forward to hearing what is planned for Thursday 29<sup>th</sup> "MYSTERY" Fellowship event

Have a great week stay warm.

Yours in Rotary

Allan Tierney
