FRAN'S FAIRYTALES

Hello everyone,

Good to hear the comments last week about the Canberra Conference, the consensus being very positive about the content and speakers, with a few gripes about the food by some of us. So not much to complain about really ! Thanks to Graeme H for completing the Insurance questionnaire from the District and transmitting it to the relevant party.

As most club members would know, it had been decided a while ago that club shirts were to be offered to all members' partners, if they wished to have one and wear them.

I have heard from most of them but not all, so I am following up with this so we can finalise the order and have them made as soon as possible.

Our speaker this week will be talking about having our hearing tested, an important issue particularly as we age.

Unfortunately I shall be unable to attend at all, as I have another important appointment, but Brian will be there in person.

Warmest regards to all.

FRAN XX

APPROXIMATELY 590KM OVER 6 DAYS

Day 1: Lancefield to Harcourt - 78km
Day 2: Bendigo-Bridgewater-Bendigo - 92km
Day 3: Bendigo-Dunolly-Moliagul-Bendigo - 112km
Day 4: Bendigo-Maldon-Maryborough-Bendigo - 108km
Day 5: Bendigo-Elmore-Rochester-Bendigo - 123km
Day 6: Bendigo to Kirwans Bridge (Nagambie) - 86km

Today was day 3 of the Rotary ride around Bendigo with most riders able to complete the distance of 100km. I have made a couple of directional errors by missing marked turns, taking the riders 40km along the wrong road realising the error when we couldn't find the morning tea break location. We did manage to get to our lunch stop on time, good navigating. The conditions have been good for riding with no rain.

The Week That Was

Meeting Thursday March 16th, 2023

The meeting started with reports until Pres Fran and Brian were able to connect to zoom.

Paul Wilson – Youth: Ferntree Gully North Primary School will once again participate in the Rotary junior Community Awards. Starting next term. Other local primary schools to be followed up again.

Sam Hayden has returned home from his advanced youth leadership training course sponsored by RYLA Oceania which was held in the Blue Mountains NSW. Sam enjoyed the weeklong training sessions and the benefits he gained from attending will be everlasting

Greg Baker the year9 co-ordinator from Fairhills High School joined club members in attending the District Youth Awareness seminar to learn of the many Rotary youth programs have to offer. He was enlightened to see what Fairhills could be involve in.

Graeme Aspinall – Fundraising: Very successful Bunnings last Friday raising \$828.00. Our next fundraiser will be on Sunday April 2nd at the National Steam Centre, Ferntree Gully Rd Scoresby for the Vintage Motor Cycle Club Starting at 7.00am. A strong turnout is required

Brian Mandergeddes - Finance: Payments have been made to Foothills Community Care of \$1000 and MDLC \$1000.

Christine Anderson – Community: Posters and flyers have been printed for the Anzac Dawn Service and need to be distributed to business in the FTGully area. Local paper will have material published in it due out next week. A meeting will be held on Monday night for a Steering Committee at the Bayswater Club Rooms or the Empowering Communities project.

It was agreed that the Club Donate the three \$100 Bunnings vouchers to the Gully Mens Shed to us as they wish. All members agreed.
