FRAN'S FAIRYTALES

Hello everyone,

So sorry neither Brian nor I were able to assist with the Bunnings Easter session, or the Sausage sizzle bacon & egg rolls and other treats on Sunday. The Sunday result has been absolutely outstanding, but I will leave it to Graeme A to give you the exciting details. *Many thanks to all who participated in the event, whatever role you played on the day.*

The club's willingness to take part in these types of events not only raises much needed funds to enable us to provide assistance where it is required in the community or elsewhere, but, most importantly, allows us the opportunity to put the Rotary word out, and that of our club, and often provides us with much-needed publicity and recognition, to prove that we are always "out there" doing our best for others.

Sadly, our hearts and minds are this week turned to the news that our dear friend, Kay McAloney, has lost her father, who has passed away following illness and a stay in hospital.

Coming so soon after the devastating loss of our dear friend and colleague, Paul, this is another terrible blow for Kay and her family and friends. I am sure we shall all care and support Kay in whatever ways we can, as she tries to navigate these losses and come to terms with them, which is never easy, is it ?

See you Thursday.

Warmest regards to all.

Presentation of our grant from the Knox Empowering Communities, for our Knox Nocturnals Youth Activities Group'

The Bunnings Easter Family night was very successful by the huge numbers of people attending. Many activities were organised for the children including our clubs activity of decorating easter rabbits being very popular. Club members ran the BBQ with free sausages being given out. A very busy night for Mike and Graeme H who managed to keep up with the demand .Thanks to everyone who was able to attend on the night.

Sunday's BBQ for the Vintage Motorcycle Club at the National Steam Centre, Scoresby was held in ideal weather conditions. Members arrived soon after 6.00am to complete the set-up and start cooking egg and bacon rolls. The line for egg and bacon rolls lasted for nearly three hours, with a trip back to the supermarket needed to purchase more eggs, bacon and rolls. More than 300 e & g rolls were sold. Hamburgers and sausages and onions was next on the menu were also popular' With sales starting to dry up after 11.00an it was time to pack up as attendees at the swap meet were

leaving the site. A rewarding event with the Club raising \$1800 for our community projects. We have already been invited back for next year's swap meet.
