“ROTARY FELLOWSHIP”

Hello Everyone,

What a great community Queens Jubilee event on Saturday, organised by the Friends of the Dandenong Creek and the Rotary Club of Bayswater. 4000 indigenous trees, shrubs and grasses all planted by about 100 community persons including Knox councillors and Politicians, and four of our club members. Another wonderful community environmental activity, to enhance the beauty of the Dandenong Creek.

Last Thursday evening we had the pleasure of inducting Rosie Massey into our club, we look forward to working with Rosie in many community projects. Lovely to see Sam Hayden and catch up on his very busy life, with his work and studies, we wish Sam a great week at RYLA coming up at the end of the month. Our District Governor Dr Daryl Moran also zoomed in for a quick catch, impressing members with a short but powerful message, to keep preserving with Hybrid meetings.

This week's meeting guest speaker will be Ken Mirams from the Rotary club of Beaumaris and the District Youth Protection officer, so I encourage all members and partners to join us,

Just a reminder that the Rotary International Convention to be held here in Melbourne 2023 early bird registrations are now open, for the special price, between 4th and 8th of June

Have a great week.
