CREATE HOPE
in the **WORLD**

Presidents Message

Hi All,

Hope that this finds you in good spirits.

We hope that both Mike and Ann are still recovering well.

Had a fairly busy week , with a couple of events.

A number of us caught up with the other clubs in the cluster for Dinner at Tosaria restaurant in Rowville for an informal meeting and fellowship last Tuesday evening.

It was a nice evening , and something that we should do a bit more often.

Also had a club get together at the Thai restaurant in Ferntree Gully.

I was not able to attend due to another commitment and I trust that it was an enjoyable evening for all.

Bunnings fathers day evening was well attended by all members , went from 6.00pm until 8.00pm and we did not stop.

It was good to see Kevin there , so I put an apron on him as well.

I forgot to mention that Jill and Paul have very graciously offered to host our Christmas break up.

The dates and address will be in the bulletin closer to the end of the year.

We are starting to get some very good quality guest speakers locked in .

Thanks to those who have approached people to come along and talk to us as well as sharing a meal.

Hopefully , we can all contribute to this activity and help Rob fill out his diary.

I don't have much more to report , so will sign off
Stay well and I will see you all soon.

Regards
Gary

The Week That Was

SERVICE ABOVE SELF

THE OBJECTS OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

First The development of acquaintance as an opportunity for service.

Second High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society.

Third The application of the ideal of service in each Rotarian's personal, business, and community life.

Fourth The advancement of the international understanding goodwill, through a world fellowship of business and professional persons united in the ideal of service.

THE FOUR WAY TEST

Of the things we think, say or do

1. Is it the **truth**?
2. Is it **fair** to all concerned?
3. will it build **goodwill** and **better friendships**?
4. will it be **beneficial** to all concerned?

Special Guest Speaker - Chelsea Frawley

After losing her father to suicide in 2019, Chelsea made a career move to the St Kilda Football Club to help bring to life a focus on Mental Health. Chelsea played a pivotal role in the development and creation of an AFL's first mental health initiative in Spud's Game which looks to raise funds for Mental Fitness programs at the Danny Frawley Centre.

The aim of R U OK? Day is to engage Australians to connect with people in the community they may have concerns about, encourage them to seek further help and to follow up to ensure support is being provided. R U OK? Day encourages responsible public discussion of social isolation and its negative consequences such as suicide. The key message is that social connectedness and positive help seeking can assist people in crisis and is a whole of community responsibility.
