Lift the Lid On Mental Illness

Lift the Lid On Mental Illness is Australian Rotary Health's national fundraising initiative for mental health research. We can support the Lift the Lid initiative by hosting a Hat Day,

Thursday 5th Oct at our club meeting, a donation would be wonderful.

Decorate a hat that reminds you of your favourite holiday.

Bring along a photo, so we can guess the destination.
(so keep your hat a secret until disclosed)

Let's have a fun evening- would love to see all partners join us.

SERVICE ABOVE SELF

THE OBJECTS OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

First The development of acquaintance as an opportunity for service.

Second High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society.

Third The application of the ideal of service in each Rotarian's personal, business, and community life.

Fourth The advancement of the international understanding goodwill, through a world fellowship of business and professional persons united in the ideal of service.

THE FOUR WAY TEST

Of the things we think, say or do

1. Is it the **truth**?
2. Is it **fair** to all concerned?
3. will it build **goodwill** and **better friendships**?
4. will it be **beneficial** to all concerned?
