Presidents Message

Hi all

Hopefully everyone is well.

I thought that last weeks planning meeting went really well, with confirmation of the various chairs , as well as their committees.

It was great to hear that we have been nominated for community awards by KCC and in particular to Christine for volunteer of the year. We all wish you much success. It was really good to hear of the continuation of Knox Nocturnals youth program.

As you are probably all aware , Christine will be attending of forum that is being hosted by VICPOL to discuss stratergies on the prevention of crime.

Also great to hear that she will be accompanied by some of the young folk from KNYP , in order that they can participate and share some of their views and experiences. I attended an online meeting with our new group on Sunday , the purpose being to vote on a couple of proposed resolutions.

Both passed unopposed.

That's it from me , have a great week.

Yours in Rotary
Gary

SERVICE ABOVE SELF

THE OBJECTS OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

First The development of acquaintance as an opportunity for service.

Second High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society.

Third The application of the ideal of service in each Rotarian's personal, business, and community life.

Fourth The advancement of the international understanding goodwill, through a world fellowship of business and professional persons united in the ideal of service.

THE FOUR WAY TEST

Of the things we think, say or do
1. Is it the **truth**?
2. Is it **fair** to all concerned?
3. will it build **goodwill** and **better friendships**?
4. will it be **beneficial** to all concerned?

Our next Sausage Sizzle at Bunnings Scoresby will be Friday May 10th.

An Email received from Fairhills High School

My name is Erin McGillicuddy. I am a teacher at Fairhills High School.

I work with students studying the Vocational Major subject, which is a applied learning VCE course.

Our major project in term 2 is called 'Voices of Knox'. The aim of the project is interview and document people's stories who live, work or volunteer in Knox. We would love to have people from Rotary involved in the project. We would love to be able to interview some of your Rotary Club members as a part of the project.

Please let me know if this is something that Rotary Ferntree Gully could be involved in, and we can start to work on the details.

If you have any questions, please feel free to give me a call on 0400 179 547.

Thanks for your time,

Erin McGillicuddy
